MEDICAL HISTORY

Although dental personnel primarily treat the area in and around your mouth, your mouth is a part of your entire body. Health problems have, or medication that you may be taking, could have an important interrelationship with the dentistry you will receive. Thank you for a following questions. Are you under a physician's care now? Yes No If yes, please explain:	
have, or medication that you may be taking, could have an important interrelationship with the dentistry you will receive. Thank you for a following questions. Are you under a physician's care now? Yes No If yes, please explain: Are you ever been hospitalized or had a major operation? Yes No If yes, please explain: Have you ever had a serious head or neck injury? Yes No If yes, please explain: Are you taking any medications, pills, or drugs? Yes No No If yes, please explain: Are you taking any medications, pills, or drugs?
